

Our exclusive depanning table is ideal for any space conscious owner. Use the stainless steel top for preparation, then use the removable chrome shelf to take your product out of the pans and let it cool down for longer shelf life. The bottom part will allow you to store all of your pans, bags, oven mitts and other accessories with a minimum foot print while everything is at arm's reach.

Featuring

- Stainless steel inside and outside.
- 4 or 5 accessories compartments (depending of size of table).
- Bread pans compartment.
- Removable chrome cool down shelf.
- Adjustable legs.
