## CONVEYOR OVENS

BAKERS PRIDE Conveyor ovens feature computerized conveyor speed controls with digital display, providing perfectly uniform cook times even when product loads or voltage fluctuations occur.

Perfect baking and browning of almost any menu item is achieved by our unique, independently controlled top and bottom heat feature.

Constructed of strong, heavy gauge aluminized steel with all stainless top and sides, BAKERS PRIDE Conveyor ovens carry a one year limited warranty.

BAKERS PRIDE conveyor ovens may be stacked up to 3 high.

## APC SERIES ELECTRIC CONVEYOR OVENS

BAKERS PRIDE APC Series conveyor ovens deliver consistent, reliable, high-volume performance. Quiet, cool and simple to operate, the APC features digital electronics with independent top and bottom heat controls with a temperature range from 300°F to 800°F (149°C to 400°C).

The APC-18 features an 18" wide conveyor belt, 36" long cook chamber, 5" high product clearance, all stainless steel exteriors, 1 1/2 to 30 minute bake timer and may be stacked three high. International voltages available upon request.

APC-18-1
